## **FURTHER EXERCISE OF OPTIONS AND UNDERWRITTEN AMOUNT EXCEEDED**

---

Collaborate Corporation Limited (ASX:CL8) (**Collaborate** or the **Company**) is pleased to announce that it has today processed an additional \$680,721 from the exercise of CL8O options and issued the shares accordingly. A total of \$1,639,396 has been paid to the Company to exercise CL8O options to date.

CEO, Mr Chris Noone said "We are thrilled to have exceeded the Underwritten Amounts of \$1.26 million in the conversion of CL8O options, which has been strongly supported by option holders of the Company."

We anticipate processing further tranches of option conversions as funds paid to exercise the CL8O options clear into the Collaborate bank account.

CL8O option holders are eligible to exercise their options up to 5:00 pm on 30 April 2017. If all remaining options are exercised, the Company will receive approximately \$1.86 million in total, before costs.

The Directors remind option holders who wish to exercise their options to ensure that funds are received together with a completed and signed option exercise form prior to the expiry date of Sunday, 30 April 2017.

We also remind security holders that under the underwriting agreement, should any CL8O options remain unexercised at the time of expiry, the underwriters have a first right of refusal on any unexercised CL8O options up to a maximum value of their Underwritten Amounts. Full details of the underwriting arrangements and advances were announced to ASX on 10 February 2017.
